

Angel Ridge Adoption Process 04 /18

- 1.) We are accepting applications for adoption, make sure the application is complete and must include names, addresses and phone numbers of all references.
- 2.) We may have other applications pending for the same dog, which the staff are unaware of.
- 3.) As a rescue we are looking for a good fit for the dog with the right family or person (s).
- 4.) We require a Vet Reference for current pet owners and or name of a Vet that you will be using if you have not had a pet in the past several years.
- 5.) All of our applications are reviewed and approved by our Director, Nancy Shannon.
- 6.) We require a Meet n Greet at Angel Ridge if there is another dog (s) to be introduced. (We prefer to have an approved application **before** the Meet n Greet).
- 7.) **If your application is selected you will be notified by phone within 24-48 hours of meeting the dog.**

We offer a 2 Week Foster to Adopt program. Our fee is \$175 for dogs over 6 months and \$200 for dogs 6 months and under. Checks or cash is held for the 2 weeks. We prefer a check made out to ARAR for the full amount or cash for the full amount.

Our applications is a fillable PDF, however if you only have Acrobat Reader on your computer, you may not be able to save it once you have filled it out. You can print out a hard copy to scan or photograph and email back OR choose "print" on your computer and change your (choice of) printer to "Adobe PDF". Give the document a *name and "print" or "save"... whichever is your final choice. Then email the new file.*
